HSE POLICY

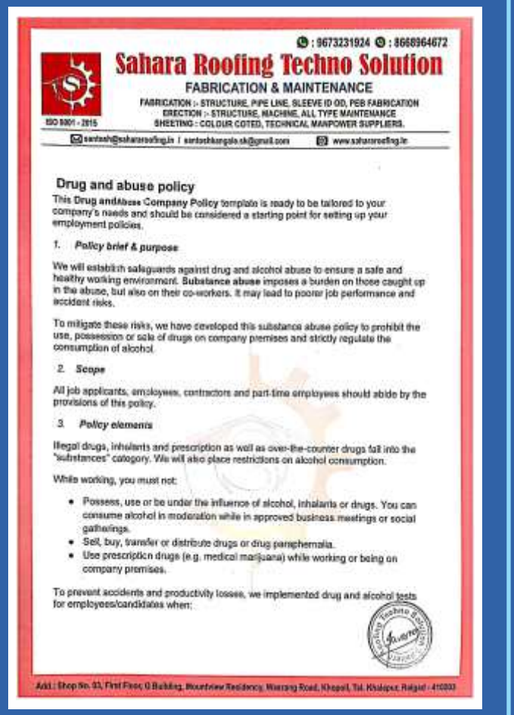

Our Organization assigns highest priority and importance to safety and health of employees, partners and communities around areas of its operation. We shall strive to become a role model in implementation of safe practices to ensure zero injury and attempt to go beyond statutory compliance by committing to: -

- Establishing systems and processes to create safe work environment.
- Proactive approach in assessment & mitigation of risks related to safety and health of all workforces.
- Prevention of injuries and occupational illness by implementing best practices and by creating awareness and providing training to the workforce.
- Selection of plant, equipment, machinery and material considering their long term impact on health and safety of our workforces.

This policy and the level of implementation shall e periodically reviewed to ensure that it remains relevant and communicated to all concerned.

Drug and abuse policy

This Drug andAbuse Company Policy template is ready to be tailored to your company's needs and should be considered a starting point for setting up your employment policies.

1. *Policy brief & purpose*

We will establish safeguards against drug and alcohol abuse to ensure a safe and healthy working environment. **Substance abuse** imposes a burden on those caught up in the abuse, but also on their co-workers. It may lead to poorer job performance and accident risks.

To mitigate these risks, we have developed this substance abuse policy to prohibit the use, possession or sale of drugs on company premises and strictly regulate the consumption of alcohol.

2. *Scope*

All job applicants, employees, contractors and part-time employees should abide by the provisions of this policy.

3. *Policy elements*

Illegal drugs, inhalants and prescription as well as over-the-counter drugs fall into the "substances" category. We will also place restrictions on alcohol consumption.

While working, you must not:

- Possess, use or be under the influence of alcohol, inhalants or drugs. You can consume alcohol in moderation while in approved business meetings or social gatherings.
- Sell, buy, transfer or distribute drugs or drug paraphernalia.
- Use prescription drugs (e.g. medical marijuana) while working or being on company premises.

To prevent accidents and productivity losses, we implemented drug and alcohol tests for employees/candidates when:
